SUNSET COLLECTION

Small outdoor spaces require smart, innovative and functional pieces of furniture. This is exactly what the Sunset collection stands for. The lounge sofa works double duty, with folding backrests that lets you go from sofa seating to a classic sunlounger in just seconds. Attached underneath the frame is a nicely crafted bag that you can easily transform into a full nylon rain cover. No need to take the cushions indoor when it rains, simply open up the bag and cover the lounge! The coffee table and trolley combine fun and functionality. Different kinds of trays and bottle coolers are removable and can be conveniently positioned on the trolley frame or the coffee table frame. Ideal for serving guests and enjoying outdoor quality time with friends and family.
